Catch-Up Funding

For the academic year 2020/2021, the government has given each school additional funding to enable pupils to catch up after lockdown. https://www.gov.uk/government/publications/catch-up-premium-coronavirus-covid-19/catch-up-premium

We have to publish details of:

- how it is intended that the grant will be spent
- how the effect of this expenditure on the educational attainment of those pupils at the school will be assessed

The funding will be awarded in 3 tranches. We have left a small contingency in case of future needs as yet unidentified.

NB November 2020

£80 x 121 = £9680	9680 Intent/Impact	
NFER assessments	1000 Reading, Writing, GPS and spelling assessments for years 1 - 5. These provide high quality assessments of where the children are and the impact of our catch-up provision. Standardised scores enable us to tra	ack progress
